

## INTERESTED IN HELPING CREATE THE NEXT CANCER PLAN FOR MAINE?

The Maine Cancer Consortium is in the process of creating the *Maine Comprehensive Cancer Control Plan: 2011-2015*. There are several ways to be a part of this exciting opportunity. Please indicate below how you and/or your organization would like to be involved. It is anticipated that this work will begin in May of 2009 and continue through May of 2010.

I am interested in joining a Workgroup to help create the Cancer Plan.

My areas of interest are:

- Data
- Detection
- Disparities
- Palliation and End-of-Life Care
- Prevention
- Rehabilitation and Survivorship
- Treatment
- Other

I am interested in reviewing a draft of the Cancer Plan.

I/my organization has resources to commit to the publication of the Cancer Plan.

I am not interested. Please remove me from your list.
